

Overlooking the Kaanapali Resort South Course's challenging Eighth Hole, The Pinnacle homesites are large, averaging a half-acre and ranging in size from 18,500 to 28,000 square feet.

Ten of the parcels are directly fronting the golf course. Many others are situated "wide to the view," with the longest sides of the parcels facing the renowned Kaanapali vista.

You and your architect have the luxury of designing a spacious residence with views from a majority of rooms. The generous parcels will accommodate a grand home with swimming pool and still have plenty of room for a wide setback, ensuring privacy and serenity.
